**For it is My Anointing that Breaks the Yoke**

*For it is my anointing that breaks the yoke. It is my anointing that breaks the yoke saith the Spirit of Grace. What you need as an individual to overcome is who I am and that is my presence. In my presence everything comes to stillness, everything comes to fullness. You can't, you can't of yourself bring forth yourself and cause yourself neither as an individual nor as a body but in my presence seek my presence not just now but seek now to know me so that when you leave here there will be something on you that will remind you to come back as an individual into my presence for it is my anointing that will cause you to stand in these last days. It's my anointing that will cause every yoke to be broken off of your life.*
