They had Many Questions

For as I said unto them so I say unto you. They had many questions. When are the times of the seasons of your coming? But I said unto them, it's not given to you to know that which the Father has of his own power. But this thing I said unto them. What is given unto you, you shall receive power after that the Holy Ghost is come upon you, saith the Spirit of Grace. This answers all questions, all questions that my disciples had for the future, what would be the end of the world and what would be there future. I say unto you that the answer to all things is for you to enter into my spirit, saith the Spirit of Grace. Enter into everything that I am and as you magnify me and glorify me in spirit I'll come and visit you. Every question of your life will be answered. Every problem has a solution. I am that solution, saith the Spirit of Grace. They were encumbered about with many cares. I could have answered there questions but I gave them the answer to all question. After that the Holy Ghost come upon you, you will receive power. Let my spirit come upon you and abide. Commune with my spirit and commune with me, saith the Spirit of Grace and you'll find that every question has an answer. Every problem has a solution. For you are entering into a new season and I am asking you to enter in with fullness of joy and rejoicing. This year in front of you is to be a year of power and to be a year of me showing my church and the world through my church the explosion of my power. So enter in with joy. Enter in with the expectation. Enter into the fullness of what I've promised you and believe that all things are possible,. saith the Spirit of Grace. Hallelujah Jesus.
