It is Your Father's will to Set You up on High

For many say that name and I am pleased when you do. But for you to go behind closed doors and become acquainted with the one who carries and is that name and find that place of intimacy, you'll find what did not work for you yesterday will begin to work for you in your future. For when you say that name, when you speak my name and you've had fellowship with me, then everything that I am comes through that name saith the Spirit of Grace. You'll find that those things that stood you down will no longer have the ability to stand you down. You will find that with every spoken time that you put your trust in me that I will come behind you and I will under girt you and I will bring forth life in the midst of death, saith the Spirit of Grace. It is not your Father's will to leave you stranded. It is your Father's will to set you up on high and give you an inheritance and cause you to eat of the fat of the land, saith the Spirit of Grace.
