### **Standard for Revival**

*This will be the standard for revival, saith the Spirit of Grace. Upon these very truths and upon these very sayings I have built my church. Continue to route yourself deep in these things. For all things that I speak with great power are built in the simplicity of who I am, but the profoundness of every truth; let these things sink deep with inside of you, that the very things that you desire to see accomplished in your life, your family and this community resonate for these things, saith the Spirit of Grace.*
