### **Conform You to the Image**

*Do not play around anymore. Do not play around with sin anymore. These are the days to cross the field. Do not play around with indifferences anymore. These are the days to drop your indifferences and cross the field, saith the Spirit of Grace. It is not my purpose, saith the Spirit of Grace to make you happy; it is my purpose to conform you to the image of the Lord Jesus Christ. For many are seeking happiness and their hearts desires to be filled but your heart will only be filled in me, saith the Spirit of Grace. Therefore your happiness is subsequential to your obedience. Know this that if you will follow me and raise up and declare yourself one to cross the field and follow me at all times know this, then will your joy spring forth, saith the Spirit of Grace.*
