We are Revivalist

Hallelujah! Father we worship you. Lord you promised in your Psalms that those who would worship you, this honor has all his saints, to bind their Kings with chains and there Nobles with fetters of iron. Jesus said that whatsoever you bind on earth shall be bound in heaven and whatsoever you loose on earth shall be loosed in heaven. Therefore because of your word and because of the power that is in Jesus' name, we stand on this planet and we declare before all of Heaven and earth in Jesus name that Immokalee is in revival and this church is in revival. Hallelujah Jesus! Hallelujah Jesus! We speak to the spirit of infirmity in the name of Jesus. We cast you out in the name of the Lord Jesus Christ: over this body, over the elders, over the people, over the sheep in Jesus' name. We command all spirits of infirmity to go in the name of Jesus. We command the spirits that come against the heart that come against the spirits of diabetes, the spirits that come against kidneys, the spirit that comes against all the internal organs of the body in the name of Jesus, these spirits of infirmity, these crippling spirits, we command you in the name of Jesus, you are bound and we cast you out in the name of the Lord Jesus Christ. We are revivalist. We have a covenant with God and we stand in authority against you in the precious name of Jesus and we cast you out of this church and out of this region in Jesus' name. We command that the spirits of poverty, the spirits that have held on to those in this congregation and those who support this church and those who are praying for revival, we speak to the spirits of poverty, the impoverishment against the Saints of God; we command you in the name of Jesus to lose your hold. Let go in the name of Jesus. We commanded that in Jesus' name that the diabolical plots, ploys, schemes that you have brought forth to keep back and to hold back, in the name of Jesus, we command you bound in the name of Jesus and we cast you out in the name of Jesus. We call this bunch a prosperous bunch. We call this bunch a prosperous bunch filled with the prosperity of God, filled with the blessings of Almighty God in the name of Jesus. Hallelujah to God. We bless you Jesus. We bless you Lord. Hallelujah! Father in the name of Jesus we pray for the spirits that would divide: concerning those spirits that would divide the saints; that would divide the homes; that would divide the marriages. In the name of

Jesus we cast you out. In the name of Jesus we bring you underfoot. In the name of Jesus we tread upon every serpent and we will not be harmed in the name of Jesus. We cast you out in the name of Jesus. Come down with your imaginations. Come down with your accusations. Come down with every wicked thing in the name of Jesus that you brought against the Saints of God in the name of Jesus. We declare war against you in the name of the Lord God Almighty, in his son's name, in Jesus' name hallelujah! We glorify you Jesus. We glorify you Jesus. Hallelujah Jesus. Father we pray for the, for the change of the flesh to be crucified in the name of Jesus. For the Saints of God who are going forward yet struggling against their flesh to those spirits that have come and breathed upon their flesh and have tried to empower, empower against the God-given right to change in the name of Jesus. We speak to those spirits of the flesh in Jesus' name; those spirits empowering the flesh, we bind you in the name of Jesus Christ. We cast you out and we cast you out of our church and out of our region in the name of Jesus. You will not have dominion over the Saints but in the name of Jesus by his precious name and blood we command you to leave in Jesus' name. Hallelujah Jesus! Hallelujah Jesus! Hallelujah Jesus! Hallelujah Jesus! Father we worship you. We give you all the glory. We give you all the praise and we give you all the honor in the precious name of Jesus our Lord. Hallelujah Jesus!
