Dear Friend,

Please find enclosed a prayer cloth prayed over especially for you and your need. Know that this cloth is merely a point of contact for our faith to touch and agree with yours for whatever your prayer need is. The scripture refers to this practice in:

**Acts 19:11-12** *And God wrought special miracles by the hands of Paul: So that from his body were **brought unto the sick handkerchiefs or aprons, and the diseases departed from them, and the evil spirits went out of them.***

The prayer cloth then and now is not meant to hold some mysterious magical power. It is simply an avenue of compassion which God's anointing will follow to reach the individual where they are.

Here is an example: An electrical cord when plugged in completes a circuit and puts an appliance in contact with the power source (*the power plant*) through a wall socket drawing the current from the power lines into the house and eventually to the lamp or toaster etc. In essence a prayer cloth works in much the same way. Jesus is the Healer, the power is coming from Him, the man or woman of God who believes are as the power lines and as their prayer of faith goes out they are drawing from or plugging into the power source thus becoming a conduit through which the healing virtue of Christ Jesus can flow. The prayer cloth in turn is like the wall socket in this scenario connecting the person needing to receive with the person God is using as an avenue for His virtue. Last but certainly not least the individual's faith is added and becomes much like the electrical cord and puts them in direct contact with the power flow thus completing the circuit.

We are a body that sincerely believes God's word which says in **Mark 9:23** *If thou canst believe, **all things are possible to him that believeth.***

Since we are not able to be where you are and you are not able to be here with us, we have prayed and do believe that **the anointing** residing in this place and with this corporate body of believers will travel with this prayer cloth to you or a your loved one and touch the area of need.

When this prayer cloth arrives you can hold it in your hand or place it on the person in need and by faith reach out and touch the hem of Jesus' garment. From Him and *only* from Him flows all the life giving virtue of heaven. Receive His strength, His healing and His peace into your life this day, in the Name of Jesus!

God bless you,
