Prophecy060312c – Mar 12, 2006 I Will Kindle the Desire for the Call

Many who have fallen now are being stirred. Many who have ministries that hitherto have not been fulfilled, you will find that I will breathe the fire of My glory on you. Once again, I will kindle the desire for the work of the ministry and the call. You must fight past the beginning stages of this, for the enemy will come immediately to tell you how much ground and time you have lost.

Know that if you will listen and follow Me and enter in that I will bring you back so fast that you will find that the place that you stand in time will be the exact point that I wanted you to be even before the temptation took you out, says the Spirit of Grace.
