### **Prophecy060409 – Apr 9, 2006 Joy That Causes the Enemy to Flee**

There has been released upon My Church myriads of spirits of hell. You did not ask for them. You haven't even done anything to solicit them. But the enemy knows that his day is short, therefore, he has sent every imp of hell to stand in your way and to defeat you on the line of the joy of the Lord. For in that joy is your strength to run. In that joy is your strength to walk. In that joy is your strength to go forward and to not be faint of heart or of mind. Know that there is grace sufficient this morning.

To receive of Me is to take the stand against everything that hell would offer you. And know that what you receive is that which can walk with you and be a part of you. It is traced to these types of outpourings. But know, this is something that you walk in by choice, says the Spirit of Grace.

So receive now by faith that which I give you. And know that it is in your hands and up to you to stand and receive on a continual basis this joy that causes the enemy to flee and causes you to make a formidable stand in this day that will be a testimony before the world, that even in the midst of all kinds of adversity, you still have a peace which passes all understanding, says the Spirit of Grace.
