### **Prophecy070325– Mar 25, 2007 I Will Re-educate You on Who I Am**

For a long time, says the Spirit of Grace, you have been taught incorrectly by your teachers and those whom you sincerely respected, and even worse, you taught yourself through your own intellect and reasoning who you thought I was. But if you will let Me, says the Father, what I want to do for you is come and re-educate you on who I am because I want you to know that I am to you far more exceedingly, thousands and thousands of times over more loving, more merciful, more caring, more desirous to take over every issue in your life than you ever thought possible, says the Spirit of Grace.

For you have judged Me based on how you felt, but I was outside of your emotions wanting to get in. And you would say, “God, You allowed this” or “You did this,” and I cried with you, but you did not feel My tears because your concept of Me would not allow Me to get inside the boat or the issue with you. But if you will allow Me to come, I will schedule things on your path that will begin to teach you line upon line and precept upon precept and by My Word. And just by My goodness and My Presence, I will teach you that I am to you an example of love and an example of grace beyond what your fathers and mothers ever were to you.

Know that I will come, and I will cuddle you and hold you and will show you a concept of Me that will serve your best interest for the rest of your life, says the Spirit of Grace.
