### **Prophecy070530i – May 30, 2007 I Will Come and Do My Part**

Do you think that I would ask you to do this for Me—give Me a revival—that I would not come and do unordinary things for you? For no good Father would ask anything of His children that He would not amply supply and meet all of their needs. For the needs that I am talking about are not the needs right now that I am explaining concerning the financial, but I am talking about those things in the Spirit that you will need to stand and to receive My glory and pass it over to the nations.

For I will do unordinary things for you and to you in the days ahead. Because I am asking something from you, I will also do My part to come and shake places and shake the atmosphere, and where Satan has bound up and placed citadels of darkness around you, know that it is My pleasure to give you the keys to the Kingdom and to pull down spiritual strongholds. I will come. I will come and do My part!
