### **Prophecy070627b – Jun 27, 2007 Your Peace Will Increase in the Days Ahead**

For surely your peace will increase in the days ahead, and it will have nothing, absolutely nothing to do with your surroundings. But your peace will be the catalyst. It will be the absolute that I will use to bring in all that I am wanting to bring in this move.

For you will separate yourself from all these things that now have something to do with your life and pulling you down, and in those hours, you will not even think about the things that you wrestle with now. They will take their flight as wings of an eagle or a dove. I hear Him saying: They will take off one way or the other—it will be gone.
