### **Prophecy071219a – Dec 19, 2007 Out of My Joy Comes Strength**

Know this: It is My desire to teach you how to desire to shortcut things that you would labor in of your own. If you will go into Me and find My Presence, know that in My Presence is fullness of joy, says the Spirit of Grace. And out of My joy comes strength that will enable you to find yourself accomplishing things that beforehand were a task and a labor unto you.

For I desire to place great, great overwhelming kinds of joy inside of you, so that the things that I will ask of you and require of you is not a task to be looked at as hard and laborious. But know that your joy will be exceedingly great as you find those places of My Presence, and I will come and I will reign in you, and you will walk in this earth as those who are full of strength, and I will renew your strength, says the Spirit of Grace.
