### **Prophecy080130 – Jan 30, 2008 Learn the Art of Staying in Me**

Many trade what they would call “excellence of ministry” for what I desire the most, which is to lavish My people with My Presence. For in excellency of ministry, many think that they are doing the great service, but the greater service is this, that you learn My Presence, and you learn how to stay caught up in Me, for in Me all things are perfected, says the Spirit of Grace.

So learn this. Learn the art of Presence. Learn the art of staying in Me. For in that place nothing has the capacity to distract or interrupt you, for you have the authority in Me. And I will visit you, and I will teach you how to stay in that place, says the Spirit of Grace.
