### **Prophecy080213 – Feb 13, 2008 Empowered to Walk in Authority and Victory**

Do not fear, little ones, for I have given you a spirit of no fear, says the Spirit of the Lord. And know this: No matter what he [the enemy] would send and no matter what you would encounter in the days ahead, what you have already been empowered with is more, much more and beyond your comprehension more than enough to sustain you and to walk on in absolute authority and victory, says the Spirit of the Lord.
