**Let Us Wait Upon the Lord**

That you would know and understand this: Wait, wait, I say, upon the Lord, and He shall renew your strength, says the Spirit of Grace. Wait upon My Spirit, encourage yourself often and say one unto another, “Wait, I say, upon the Lord.” For in these times, and the more that you encourage yourself, much strength is gained in My Presence, and those things that I have knowledge of for your future will be gleaned in these times, says the Lord.

For surely, in your coming and in your going, it would be easy for you to miss My best, but remind yourself and remind those who are worshippers around you, as often as you come together, remind and say these things one to another, “Let us wait upon the Lord,” says the Spirit of Grace. For great, great times of refreshing are in My waitings, says the Spirit of Grace, and you will mount up like the eagles whose strength has been renewed, for surely I see the war and I see those things that embattle and come around about you.

I have prepared a menu, says the Spirit of Grace, for if you order off My menu, you will find that your strength is renewed like the eagles, and there will not be anything the enemy can do to trump or match that anointing that breaks every single yoke that comes at you, says the Spirit of Grace. For surely these things are in My mind. They are in My mind for you corporately, and they are in My mind for you as an individual. So as you enter into My gates and enter into My place, My place that I have called you to, remind yourself to wait on Me, says the Spirit of Grace.
