### **Prophecy080601 – Jun 1, 2008 The Sounds of Heaven**

These are the sounds of Heaven, says the Spirit of Grace. For as I have sent Word through My apostle [who] wrote these things down in the Book, that you would sing in the Spirit and that you would sing with the understanding also, that you would pray in the Spirit and that you would pray with the understanding also, know this, that the melodious sounds that come out of your spirit are the very seed bed for change and for revival. For I am truly against all of your weaknesses and everything that you could bring in as a representation of anything that you or your family or those that you hold dear are fighting in this world.

Know this, that these sounds of Heaven are preparing a way in front of you, but better yet, they are preparing a way in front of Me so that I can bring what you are asking Me for into fullness, says the Spirit of Grace.
