### **Prophecy080622 – Jun 22, 2008 When You Become Less Conscious of Yourself**

If you would learn this simple truth and learn the process whereby you yield yourself over as willing vessels, know that I will come. I will become to you what you are believing Me for, says the Spirit of Grace. For in the beginning of your private worship that you offer to Me, every time you lift up your voice, there are things to get past. There is a conscience realm by which you can proceed. But know this: Too many, too many of you have offered your mind to your senses so long that it is difficult to make those transitions from the conscience world around you, taking into account your life and everything that makes up your life. But know this, the secret: The absolute adorning of your success in this life and in everything natural is your losing yourself and yielding yourself and your members over to Me, says the Spirit of Grace.

So when you become less conscience of yourself, you are really allowing Me to begin to fix the things that you stand and wait to be cleared inside of you, before you think you can enter in. But know this, you are reversing the process—allow Me to come, first, and yield yourself over, and when you do, you will find that which has been set in effect by your Father will go to full blown operation.
