Prophecy080908c – Sep 8, 2008 Trust Me With Your Schedules

The hour is coming and now is, says the Spirit of Grace, that I will visit you with this impromptu anointing to worship Me. I will ask for the full order of the service, and then I will ask for unscheduled times from you. I will ask for days to come and gather that were not scheduled. These times will only be announced from the service that I visit. They will not be scheduled. They will not be announced, but I will ask these things from you, and those who come and those who participate will bring forth this resurrection anointing that I am asking you to bring to the next level, says the Spirit of Grace.

I have come with a demonstration this night to begin to orientate your spirit, but know that this is only the beginning. That which I show in practice, I begin to perfect, says the Spirit of Grace, for I desire to visit you again and again and again.

I ask you to trust Me with your schedules. I will not harm you. I will not take you away from that which is right, but know this, that as I visit you and as I bring forth this anointing of grace, that I am preparing something in the Heavens that you do not presently have knowledge of. But afterwards, you will see from retrospect and say, “We needed those times, and only those kinds of meetings would have brought this about,” says the Spirit of Grace.
