Prophecy090107b – Jan 7, 2009 Allow These Washings to Come

Know this, to the entire body, for oftentimes when I talk like this and you sit in good conscience, oftentimes [you] will wonder, “What application does this have for me?” But know this, says the Spirit of Grace, that for you to come where I am asking you to come and for you to do the works of the Father in the days ahead, it will depend on My sufficiency in you.

Each washing brings a refreshing. Each washing of your person, and of your will, and of your soul, and of your conscience brings a refreshing in My Spirit, says the Spirit of Grace, so allow Me in these places. So allow Me to come and do not hinder Me. Know this, that I will perform these works, and I will perform these works at only your asking and only your will.

Allow Me these times of refreshing of your spirit and of your conscience, for you will find yourself in a high place, and even your body will begin to feel as if weight has lifted off. You will experience what the world calls a “high,” but I am that High Place, and only in Me are the greatest sensations of spirituality felt and known and understood as truth.

Even when you believe and know for sure that there is nothing between you and I, allow these washings to come, and the refreshings of My Spirit will take you higher and higher so that you may be more suitable to be used, without hindrance from the enemy, for the work of the Father in the days ahead, says the Spirit of Grace.
