### **I Am a Big God**

The Word of God is sure. The Word of God is what you can count on in these days that you are living in. Stop putting Me in the size of a man, for I am God, and I am not man that I should lie. Whatever the Word says, you can count on it. It will not return void. Whatever it says, you can count on it.

Am I not a God who is big enough to take care of any troubles, any problems? Where do I sit? Can you see Me that I am the God of the universe, and the heavens are My throne? The earth is My footstool. Can you imagine that I have you graven in the palm of My hands? If I am that big a God, am I not big enough to take care of you? Am I not big enough for anything that you have? For I will accomplish that which pleases Me in the thing which to it was sent. What is the thing this day? The thing this day, whatever you have, say it. Say it, for I am the God of the universe. I am the God who is more than enough.

I am the God who will provide. I am the God who will take care for you, for I am God, and know this, can any man build Me a house to live in? Am I that small that you put Me in a house that man would build? For I am the Lord thy God. Begin to believe what a big God I am. I am a God who is bigger than the universe. I am the God who created you and created this universe, and know, this day says unto the thing, and it will accomplish that which pleases Me.

I am the Lord thy God, and I reign this day over this body and over this church and over this universe. Know that I am the Lord thy God and put Me in the realm of how big I am.
