### **Prophecy090322aTD – Mar 22, 2009 I Am Incubating You**

Be encouraged little ones, be encouraged. Be not discouraged if you don't see with your eyes the progress that you think you should see. I say be not discouraged but be encouraged because I am incubating you. Just as a mother bird sits on the nest and keeps the eggs warm, I am keeping you warm.

I am incubating you, so be encouraged. Just be in that secret place. I brood over you, and in due season you will reap.
