Prophecy090322bCF – Mar 22, 2009 Still Hovering

Yes, I can. Yes, I can. Yes, I can. Have I not told you before what a big God I am? I have not changed. From the very beginning I was there, and just as My Spirit hovered over the face of the deep, My Spirit is still hovering over this world. Reach out to Me for anything that you have need of because I have already done it. I have already accomplished it. Reach out to Me, in My Presence there is fullness of joy, and at My right hand there are pleasures forevermore.

I don't want to just meet your need; I want to give you everything you desire. I don't want to just give you enough; I want to give you an abundant supply. So come on into this room. Be more consistent in coming to this room. I am not talking about this building, I am talking about the secret place of the Most High God, and that is Me.

So make a way in your journey to stop off and spend time in this room with Me. I am still hovering over the face of this earth. There is not a place that I do not dwell. I am here to meet every need and to give you every desire that you long for, so just ask and receive.
