**Say Yes**

If you will allow Me this process in you, then at the end of it, there is a great, great recompense of reward. Strength unimaginable to the natural man and peace with yourself and with God, says the Spirit of God. For if you will allow this purging process and allow Me to sweep and bring forth cleansing, if you will allow there to be no part of your heart to be uninvestigated and brought forth by My Spirit then My washings and My purgings will bring forth a cleansing that will refresh your mind and bring forth a clarity to your entire life, says the Spirit of Grace.

Oftentimes, My people cannot even see the part that they play and have played with their own demise until I am able to get it across to them, and the correction is brought. Make no mistake about it, that My correction is not in the harshness that has been demonstrated by religion and by the world and even by your own experience, says the Spirit of Grace. But the moment that you recognize, truly recognize something about yourself in Me that needs to change, there is also a quickening power behind that, that gives all the grace necessary to say yes to the purging process.

I give the grace. I give the authority, but I get the change in you, and all glory comes back to Me, but the change is in you, says the Spirit of Grace. Because you say yes to a moment in time, things begin to change.
