Prophecy090415 – Apr 15, 2009 Saturated in My Spirit

He said instruct you: For have I not said recently, time and again, that I desire to restructure your services and stretch you beyond the place that you now dwell?

He said to instruct you to understand the frequency of these reoccurring quiet moments, not just a shut down from an emotional high but the coming of His Spirit—just like the Spirit moved upon the face of the deep, sat upon the earth, and brooded over it until He was ready to bring forth the abundance of life, the Lord said: You can expect this time and time again. Through it, I am nurturing your spirit, asking for more, and I am asking you, will you give Me, those of you who are spiritually mature, will you give Me what I am asking?

Will you give Me what I am asking for? I'm asking for times of lingering in My Presence and staying until the cup is full and running over. Know that My grace is sufficient, and you won't have to bear this burden of yourself.

When I come, My grace is on you. To go to the next realm, it does take a place of incubation and saturation in My Spirit to go where I am asking you to go, says the Spirit of Grace. For a whole city is waiting for you. Don't get caught up in other things. Don't get caught up chasing this or chasing that. Know this, that I have provided this grace for you as a body, and every man who enters into it will be saturated in My Spirit, well equipped to go into revival.

The whole city will soon be at your door looking for answers. You must have this season of saturation or you will not be equipped. Rest in Me, says the Spirit of Grace.
