Prophecy090422b – Apr 22, 2009 Season of Refreshing

As your spirit well detects, something has changed in the realm of the Spirit, for truly this season has begun and is a season—a pouring out of My Spirit on all flesh, and truly this to you as a church is now a season of refreshing from My throne, says the Spirit of Grace. For know this, that no season sent of the Lord should end but should give way to the next and to the next and to the next.

Let it not be said among you or even in your heart that “We’ve rode high times before only to find lulls in between.” Know this, that if a lull came, it was not because I sent it. It was not because the devil and all of his arch rivalry had any capacity in and of himself to stop what I was doing, but know this, it is the air of expectancy that continues to fuel any season, says the Spirit of Grace. And the more that you add fuel and expectancy to what I do, know this, that one wave will give itself over to another wave, and this can be ridden all the way into the revival, says the Spirit of Grace.
