Prophecy090607 – Jun 7, 2009 Authority to Orchestrate

Have I not said in My Word, Command you Me concerning the work of My hands? For I have placed within you the authority to orchestrate. The first Adam was given this, where he failed, the last Adam brought back and restored to My Body the power to administrate My authority on the earth, says the Spirit of Grace. So know this, that if you will ask of Me, if you will bring them in, I will bring forth what I promised and what My Son gave His life for.

If you fear out in the field, asking them to lay hands on them, then simply ask them to come, for know this, that the first place and the first step to a miracle is to come before Me. And as many as you bring before Me, do not doubt, for you will see that in these last days that if you bring them in and command ye My hands upon them, you will find, much to your surprise, that time and time again, great and notable miracles will take place in your sight, says the Spirit of Grace.

So go out into the highways and to the byways—ask of Me to bring people into your sphere of influence that you can say to them, “I know a God who can heal you and deliver you.” And when you bring them, expect Me to do just that, and you will see that come to pass, says the Spirit of Grace.
