Sealed**

Know that as you continue on in this walk that your eyes will behold things that you can hardly imagine at this present time. Know, as the miracles increase, the war against your senses will also increase. And you will find the opportunity on this walk for the accuser of the brethren to come and to bring accusation, not only among you, but also against the walk that you are on. Know that he will accuse even the miracles that to you did not happen and seemingly were not processed against the argument to say that this thing is not everything that it is supposed to be. But know this, that if you will turn a deaf ear [to him,] I will cause your heart to be sealed.

Am I not as I said in My Word? I sent the Spirit who sealed you, says the Spirit of Grace? And I will put a seal over your senses, and even when an argument against the walk and against the latter times stands as what would be a living proof, you will walk past those things and take My Word as the infallible proof of all things, says the Spirit of Grace.

Know this: Even at this late hour, I am working with your loved ones. Know that as long as you stand, I stand. As long as you will not relent and will not take back what you have said concerning their life, I will track them to the ends of the earth, says the Spirit of Grace. And the rest that you have in Me will be this, that not one that you lay on the altar, not one that you lay on the altar will find their self in eternal judgment, but they will find their place in Heaven with Me, when it is all said and done.
