Prophecy090802 – Aug 2, 2009 Seated in Heavenly Places

Know, says the Spirit of Grace, that in these last days, everything that can be shaken will be shaken, but know this, that I did not leave you comfortless. For even from the beginning of time, through My prophets I prophesied of a secret dwelling place of a Most High God, that all those who would run into that Tower would find a place of safety and strength. Know this, that these are the beginning of those days, but also more abundantly, as I said in My Word, where sin abounds, My grace will also much more abound, says the Spirit of Grace.

So know this, that as times increase in things of darkness around you that there is a place of absolute security and an absolute place of solid rock standing, where no matter what comes or what goes, that your emotions don't have to be tied into it, but rather your emotions will be seated with Me in a Heavenly place, says the Spirit of Grace.

And oh, know this, that not all things are settled in the natural, and the last of the good kings, as you would know it to be rulers over you, has not come and gone if My Church will pray, says the Spirit of Grace. So take hope and know that I have people standing already to take up the cause. To take of the cause, as I said, is there not a cause? And yes, there are those who have taken up the cause whom I will move in great reservoir of authority and power, even in the political scene, and the opportunity will be again to seat these kinds of people in office and bring forth a revival, a resurgence of grace over this nation, says the Spirit of Grace.
