Prophecy091223a – Dec 23, 2009 Remember The Foundation

Remember accurately, says the Spirit of Grace, your foundation. Remember the foundation that I gave from the very beginning to My Church, beginning first upon His blood and the accomplished work which My Son brought forth. I sent forth the Comforter, and when He came, He came to baptize and to bring forth the language of Heaven to lead and to guide My Church into all truth. Do not forget that which He has come for, and exercise it greatly in these last days to see your reward and your inheritance in this earth come to fullness, says the Spirit of Grace. For there is no penalty for those things not done, but there are great dividends and reward for the time and the hours spent in the language that produces Heavenly results, says the Spirit of Grace. For know this, those who will be inoculated against the wiles of the enemy in these last days will have received their portion from above and will walk in the fullness of that portion through this gift and other avenues, whereby which I will empower you, says the Spirit of Grace.
