**Lend Me Your Ear**

*You are asking for a hearing ear; you ask Me to open your ears so you can hear My voice. Well, lend Me your ear, you lend Me your ear My voice is going out through all the earth, and it is constantly calling, constantly drawing. You lend Me your ear and you will hear My voice. Have I not said if you ask, keep on asking, if you seek, keep on seeking and if you knock, keep on knocking? If you keep doing these things and you keep lending Me your ear you will learn to hear. It's not that I am not speaking, it's that you are not hearing because you are not lending Me your ear. Give Me your ear and I will speak into your life those things that you long to hear. Hallelujah! Hallelujah Jesus!*
