### **Prophecy100516a – May 16, 2010 Prepare for Me a Habitation**

Have I not asked of you to prepare for Me a habitation? says the Spirit of Grace. And have I not promised you that I would come and that I would bring the masses to this city and to this house to observe the things which I have done and performed by My grace? For know this, that the promises of yesteryear and the promises of today that are in your heart are one. If you will continue in these things and all the more as I said, sell what you have and buy vessels of honor and glory unto Me.

Press in harder than ever before. Leave off anything that would easily beset you and entangle you in your race. Step out of the boat and leave your nets behind and move forward. Let the dead bury the dead. Forget and go on, and cause your life to be an offering poured out unto Me in this final hour, says the Spirit of Grace. For you think this is all—this is only the beginning. This is only the beginning, says the Spirit of Grace. Press in past this and watch habitations like you have never seen before.
