### **Prophecy100905a – Sep 5, 2010 My Love Is as One of a Father**

It is His, the Holy Spirit's utmost desire for you to let Him, says the Spirit of Grace, for you to let Him reveal My love to you. For My love to you is one as a Father with a child, desiring your utmost affection, desiring to keep you in the very bosom of My heart and in the very inner place where I can nurture you and hold you and go out in front of you and answer every question that would come to heart and mind, says the Spirit of Grace.

Know this, that if you will relax and let Me, then I can promise you this, that what I have brought you in here for will be accomplished, and you will go out higher in My Spirit, not just feeling good, but an impartation of growth inside of you that begins to conquer every kingdom in your life, says the Spirit of Grace.

So do not resist this opportunity to lift up holy hands and give Me thanks for what I have already simply provided for you, says the Spirit of Grace.
