### **Prophecy100919bTD – Sep 19, 2010 It's Already Been Paid**

This morning the Lord says something to me. He said, Did you ever go out to eat with somebody, and you got up to go to the restroom at the end of the meal and then you came back, and they had already paid the bill, but you didn't know it? And you went to pay it, and the person said, No, it's already paid.

That's what Jesus did—it's already paid. So if you are in a battle, whether it's finances or healing or peace, He's already paid. And He over-paid so we can freely receive.
