Grace Sufficient

Say to them My grace is sufficient. Say to them that I love them and that I joy with them in all their weaknesses. I will take fear from you, and I will take anxiety from you, says the Spirit of Grace. For know this, I desire for you to come in a manner by which there is no fear or anxiety, knowing that every moment that you spend is a joy to Me, says the Spirit of Grace. So let Me fill you with My strength. Let Me fill you with My grace.
