Prophecy110213a – Feb 13, 2011 The Heart of the Father

It is all about the harvest, says the Spirit of Grace. Know this, that if a man for a long time has had agendas to build their kingdom, know this, that what you are about to see is what is taking place for all those who call upon Me, that the heart of the Father is replacing the heart of man, and the harvest which I have longed for to gather My Bride unto Myself is now coming online. And all of Heaven rejoices, and that man's agenda is beginning to be replaced with the genuineness of the heartthrob of all of Heaven, which is souls, says the Spirit of Grace.
