Prophecy110313b – Mar 13, 2011 Enjoy The Training

Take great joy in training, for know this, when you understand Me and understand who I am as Father and understand that the enemy has come to take away that image—that image of everything that you need is in Me—to diminish that. Take great joy in the fight knowing this, that the more that I am glorified in you in the midst of it, the stronger you get. I am not the one who sends or comes with the fight. I am the One who empowers you in it, says the Spirit of Grace.

Be strengthened and enjoy the training. Be strengthened and enjoy the ability to look past where others will fail in the days ahead, for you will mentor many and teach many how to stand in these last days. Rejoice in the midst of your training, says the Spirit of Grace.
