I Desire Godly Seed

For a long time, says the Spirit of Grace, through every generation, I desire to raise up godly seed, says the Spirit of Grace. The first place that I began is with a standard. And know that the standard begins with godliness and wholesomeness and a fervent desire on the part of My Father's [for you] to move forward in Me, says the Spirit of Grace. For I desire to raise up a standard in your city, in your home, in your life.

Know this, that on My part, I will come to you with a stronger desire to serve Me and to know Me. For I desire godly seed in the earth. And even those who have come up who are well past their adult years, know this, that I through your authority can even now change their lives and move on their hearts. For the question of your heart for many of you is lost years and lost time.

Know this: I have said in My Word that I am able through My grace to make up for lost time and lost years, says the Spirit of Grace. Do not condemn yourself for what I am able to change, and do not deny Me the opportunity to lavish My love on you, for know this, that it was My Son's strongest desire that none of your sins be held against you. For in His dying words, He prayed, "Father, forgive them, for they know not what they do." So therefore, I say unto you on His behalf: I have forgiven and I have received you unto Myself.

So be strong in these days and serve Me, knowing that whoever you affect, sons and daughters, are those you influence, and I am able through your standard to change not only your life but their life through you, says the Spirit of Grace.
