## **Prophecy110626 – Jun 26, 2011 Everyone Is Beginning to Stretch Out**

He's prophesying to you right now, saying: Everyone is beginning to stretch out—reach for this place. I do not show these things to you as if to show you some place that is unattainable. For I have measured your whole life in front of you, and for sure, where you're at tomorrow will not be where you're at in years to come. But know this: I must take you—I must take you, by this faith that's being given to you now, to this next place to reveal My love to you and who you are and how much you mean to Me, says the Spirit of Grace. So know this, that in this, know this, that in this comes stronger breakthroughs in My anointing and in My Presence when you say, "Jesus." And when you lift up and spend a moment with Me, I will come, and know that fear will vanquish and leave you alone in places where it once held a stronghold in your life.

Oh, rejoice, rejoice in these things even before they come to pass. For in My heart, even now these things are at work, says the Spirit of Grace.
