Prophecy110807a – Aug 7, 2011 Yield Your Members to Me

Know this: The greatest thing that you can do as a son or a daughter of God is to learn the simple process of yielding to My Presence. Know that you can do nothing to cause Me to love you as a Father anymore than what I already do. So it is for you a great humbling experience, but the greatest pleasure I have is to lavish My love on individuals who learn to yield their members to Me, says the Spirit of Grace.

The greatest pleasure that you can bring Me in this life while it is called “now” is for you to pursue Me in spirit and in truth. For that spiritual effort, that spiritual effort that you put forth as in faith, believing that My grace is sufficient to cover you and to keep you, and to bring you into My Presence as you pursue My Presence and pursue a relationship with Me beyond anything else in this life that could bring competition—know: This is My greatest pleasure that I find in My Son in you, says the Spirit of Grace.
