**As Your Father, I Seek Family**

Know this: As your Heavenly Father, what I seek is family, says the Spirit of Grace. For I have never desired or designed religion in the tendency of man, in all of everything that man has put together to describe Me, says the Spirit of Grace. Know this, that when you look into the heart of a father that you're looking at everything that I desired when I sent Him, says the Spirit of Grace.

Know that everything that you could possibly, in this hour and in the hour of your testing and in the hour of you going forth and even in the revival that you affectionately call in, know and understand that the closest that you'll ever come to knowing who I am and what My desires are on this earth is to look at family, to look at My desire to gather unto Myself a family and for you to be a family to Me and Me to be a family in you, one to another, says the Spirit of Grace.

For I am a Father to the fatherless, and I am a Father to those who have less than an understanding of who a righteous Father is. I desire to gather in all those, all those whom you are praying for and even have not seen their faces in the flesh. But oh, that they would know you and that they would know Me—that they would know Me through you by your love one to another, says the Spirit of Grace. So when I describe family to you, it does you no good, no earthly good to go into long dissertations of impressive ordinances, of describing with great eloquence who you think I am as God. Simply say that I love them as a Daddy, and I want to bring them in as a Father.

The blind will see, and the lame will walk, and those things that you have desired for so long a time, He said, you'll bring others in, and you'll say beforehand, "Oh, this may seem a little weird to you and a little strange to you, but one thing that you will watch is, you will see the power," says the Spirit of Grace.

You'll understand My grace and My glory in these last days through My power, and My power will be exemplified by the way that they feel and know My love in your atmosphere and in your presence, says the Spirit of Grace.
