### **Your Father's Good Pleasure**

*If I do these works that no man does, then believe me saith the Spirit Grace. For I desire my people healed; you are the vessels; you are my hands; your mouth is the message of the good news of my healing power. Stretch forth your hands and believe. Receive, know that I'll come through you like I came through what was recorded of my apostles in the book of Acts. It is your father's good pleasure to give you the kingdom. Now in this kingdom there is nothing restricted from you; there is nothing held back; everything that the firstborn did, your Lord and Savior, has been given to you to manifest so that all men will glorify him; it is your father's good pleasure to heal the sick saith the Spirit of Grace.*
