This Intimacy

There's more and more of the waves of My Spirit; those that are willing and will wait on me in the days ahead wave after wave of my Glory will sweep through this church. I desire you. This is that which I will form you with; This has healing in it; it has deliverance in it; enjoy it; let it saturate you always for life is in this as surely as life is in my word when it is preached in this house; this is another form of my life as you worship me in spirit and in truth and I bring healing and this is what I'll ride in when I come with the fullness of my revival this intimacy. Jesus
