I have Plans for You to Come Higher and Higher in Me

I have plans for you to come higher and higher in me, because in my plan in my plan is everything that you have need of in your life. I have a plan for you not what you think that you ought to do, but I had you born for such a time as this; you are born in this day and this hour to bring glory unto me to let my light so shine through you, to let my light so shine through you; so enter in and worship me and as you worship me my plan is unveiled in your life and you'll know to go down the straight path, to go down the straight path that I have for you and you won't go to the right and you won't go to the left if you spend time fellowshiping with me, reading my word and worshiping me and setting your mind upon things above; then my plan can be revealed because I have so much to do, but I need you to move through and it's only done through you; so come up higher in me and know and receive my plan that I have for you.
