Beautiful Fruit will Come

Beautiful, beautiful fruit will come on your limbs. The house will increase numerically which is to you, he's saying to you, I mean to us, we've found the least important. The spiritual part we have hung onto and sunk our teeth in. I'm getting the report and he's prophesying. A lot will increase in days ahead but mostly the atmosphere. Many of you, many of you who know and have reached a place of understanding that all are called but few are chosen. Many of you that have come into this place of making yourself chosen for the purpose of being used will not only wait for a service you'll come in with a stream, a parade, a long processional with reports and calling you to do this, now don't wait for a season you're the one that brings the season to pass by your obedience. I'm asking you to come and I'm asking you to step forth in the world and be the church. Put me to a test or approve me. I don't count it when I said do not tempt the Lord thy God, I wasn't talking about this. Prove me now saith the Spirit of God. Put yourself in unfamiliar territory and lay hands on the sick and stop what you're doing at times to minister life and expect power and expect them to say whether lost or my children; expect him to say that something of power came; expect them to understand teach them. Come in with a processional of testimonies and bring in the sick and maimed the lost and hurting.
