Prophecies - The Family Prayer Center - 2014

Prophecy141123MJ November 23^{rd} 2014 **Just Enter in and Worship Me**

I am within you and I am roundabout you. Everything you need is in me; so just worship me and love on me for I love you and I'm here for you. It's what you want that you can have for its just surrendering to me and resting in me and loving on me; so just enter in and worship.
