Fashion You According to The Image

Tell them that I love them. Tell them that I care for them. Saith the Spirit of Grace, that what I'm doing in this present time is for their benefit. Everything that I'm doing saith the Lord your Father is for your benefit. Beyond any description that you can surmise I love you, I love you and even when I cause pain it's not the pain that the world brings or that the enemy brings. When I bring to you the purging, the opportunities for you to say no to the flesh and when I ask you to come to a place where repentance is the order of the day and where turning away from things of the past is the order of the day. This is my hand of love extended. This is my heart, my very heart beat is to love you and to show that love more and more. To bring you in is to fashion you according to the image of the first born which was Jesus your Lord. So come after him. Follow after him. Don't just, don't just admire his sayings but do his sayings. Saith the Spirit of Grace. You'll Find after this season that a joy will hit this church and you as an individual if you choose these things. Saith the Spirit of Grace.
