Concerning Governments

Stay steady towards the end of this year. You do not know what I know. You do not know the end of all things concerning governments and those that rule. All things are possible through me. I need authority in the earth and know this that your sites should be set no matter what comes on the earth nor what comes to your nation or what degree of rulership that you must bear under. Know this that I will provide for you. I will cover you and keep you. Those who sit and feast at my table, prepare yourself for whatever could be coming, saith the Spirit of Grace. Set your posture in a place where that you can go to the next level of trusting me against fear concerning those who rule over you. Stand in a place of hope, but know this that your hope is in me, saith the Spirit of Grace.
