Prophecy160703KD July 3rd 2016 **A More Sure Word of Prophecy**

Glory!!! For we have been given a more sure word of prophesy that the words that have been spoken to us in these last days, I pray that they would begin to take hold and start to saturate every part of our being until there is nothing left but you Jesus; until there is no containing your glory in us! For as sure as the earth is crying out for the manifestation of the sons of God to take their place, I pray that we would begin to step up and take our rightful place in him as sons and daughters of light as Kings and Priests unto righteousness, and with the power that we have been endued with by the Holy Spirit of promise in all love and boldness as representatives of the true gospel in this every increasing time of darkness for we are your body God in the earth and if you said to cross over, then we will cross over, even as our spirit already has. For we have passed from death to life and as you are, so are we now in this world. For you made a way when there was no way and we will choose to walk in it! For we walk by faith and not by sight. We will not look to the left or the right, but we will keep our eyes fixed on you for you said the just shall live by faith. For if any man sees his brother in need and shuts up his bowels of compassion from him how dwelleth the love of God in him that we would not pass by the need any longer and continue to go about our lives as usual, but that such a compassion would begin to rise up in our spirits where we would begin to say, silver and gold I have none, but such as I have, give I unto thee in the name of Jesus Christ of Nazareth rise up and walk. So Father we pray that as you begin to stir the hearts of your people that you would break our heart for what breaks yours! That you would not pass them by any longer, that you would not leave it for another time, or for another person, or for another church. God I pray let it be us. Let us choose to be the ones who will go all the way. That we would no longer come with excellency of speech that we would no longer come with enticing words of mans wisdom but that we would come in the name of the Father, and of the Son and of the Holy Ghost with power. For the earth is crying out! It's crying out for us to take our place! God we pray that there would be an awareness that cannot be shaken that we would wake up and begin to take our place as we continue to be established firm in the doctrine

of Christ! For we must be ready! Now is the time to dig deep guys! Now is the time to get tough! Now is the time to establish roots deep in the word! That we would be as the wise man that built his house upon a rock, so when the winds come and the floods rise we would not be moved! That the very essence of who we are in Christ would begin to so saturate every part of our being that we can no longer contain it everywhere we go. That we would begin feeding from the Fathers table everywhere we go. Whatever they have need of ... As we continue to covet earnestly the best gift, the love of God! For without that love we are nothing! For it's that same love that drew us in that will take us all the way to the end. That we would never lose our first love; God that we would heed that warning in the book of Revelation, that we might never lose our first love and that we would not quench the Spirit any longer; But rather fan the flames of Revival until the whole earth is saturated with the glory of God where there is no denying the power any more. The time is now church. He who has ears please hear, that we would begin to do whatever it takes, that we would continue to cry out Abba Father, not our will but yours be done for we are not our own and we have been bought with a price. It's not our life anymore; it's now his life in us, our hope of glory and he is our reward. And that we would stay in such communion with our spirit and with the Holy Ghost that all we hear is Christ, that all we speak is Christ and that all that manifest's is Christ and that all that we would long to know is Christ. For do you not know that surely God has taken the small things of the world and will use them to confound the wise; for we are nothing of ourselves, but in him we are mighty although we should never think of ourselves more highly than we ought. Where we are going there can be none of us and all of him. For there is a place far beyond the capabilities of the natural, that only those willing to press beyond the veil of the flesh will touch. Only those willing to abandon all and launch forth into the deep will find. But you will find that as you begin to launch out deeper into his love that the fear will begin to fade and boldness will come. For in this do we have confidence, that perfect love casts out all fear; for it's not by might nor by power, but it's by my spirit says the Lord. For I am the one who began a good work in you, and I will surely complete it!!! For these are your more sure words of prophesy. So heed the call guys; heed his call please; count the cost for many are called but few are chosen. Now is the time, now is the time to get very serious! Now is the time to push back the plate; now is the time to run the extra mile and now is the time to spend the extra hours; and now is the time to die; now is the time to continue as you go about your daily lives to keep a heavenly perspective and keep making heavenly minded decisions that confound the flesh. That we

would be as the prepared virgins awaiting the bridegroom! For I am coming and I am coming soon! And it's not going to get easier; it's going to get harder, much harder, but I say, my grace is sufficient for you. So do not pray as the world prays, as you have in times past for things to get better for things to get easier, but I say pray in the spirit for this is your inoculation against deception. For if you do these things you shall never fail for this is a perfect prayer being prayed, a perfect prayer of my will being prayed out through you, that you would be strengthened in the might of your spirit that you would get stronger in me, and that you would stand in my words to you for it's my strength in you; it's my strength that is made perfect in your weakness and it's my grace that is sufficient! So I say, come up higher; lay it down and come up higher. For this is where I am, this is where revival lives. I need you to come up higher for if you don't who will? For have I not said, draw near to me and I will draw near to you? Have I not said abide in me and I will abide in you? For he who will come and abide with me I will come and dwell with him and make my abode with him, and there will, I be in the midst, so fear not; fear not these things that I am asking of you and continue to find that place of rest deep in my love as you earnestly contend for my gospel! For as you spend time with me, there will you find strength for the battle. So trust me for I am the alpha and the omega; I am the beginning and the end and I am with you always, even until the end of the world.

We glorify you Jesus and we magnify you. We bless your Holy name forever for you are our Rock and our portion. You are our God in whom we will trust. Surely you have made a way and you have set our feet in a wide place and we glorify you and exalt you. We will not look to the left or to the right we will keep our eyes fixed on you. We will not live by emotion because we are no longer slaves to the flesh and to the soul, but we will live by the word and the word of God alone. My soul will make its boast in you for whence comes my help. We glorify you Jesus. Father we thank you for everything that you are doing. We thank you for the paths you are lighting and the ways that you are making straight before us.
