### **I've given this Authority**

*For I've given you this authority; I've given you this authority. For all power was given unto me in Heaven and in Earth; then I said go. When I said, go ye into all the world and preach this gospel. I meant the one of power. I'd supply the power and I would give you the authority that in my name you would cast out devils raise the dead and heal the sick. Know this that inside of me lies all the potential for a mighty outpouring of my Spirit, saith the Spirit of Grace. Inside of me there lies all the power and the authority by which you need in these last days, but too many and too much of my church is trying to do the works second hand; trying to do that which was by example spoken of in the book of Acts, when the spirit of hell said, "Paul I know and Jesus I know but who are you?" Too much of my church is trying to stand even when they do speak that name they speak it from afar; standing in that which they only repeat by what they've heard and not living in the revelation of Christ in them the hope of glory. If you find this place and you live it out not through another man or through another woman, not through the testimony of someone else, but if your testimony becomes the truth inside of you, then you'll speak very little. But the words that you say will have extreme power cause they will be backed up with absolute authority, saith the Spirit of Grace.*
